Re: Metro Container Administrative Order on Consent

Dear Karen:

Enclosed please find the Administrative Order on Consent with all attachments and signature pages from all respondents. You will note that two of the signature pages are copies; the originals will be forwarded promptly.

As discussed with Diane Ajl, we have taken the liberty of correcting the corporate names of the respondents at several locations in the Order and in deleting the reference to Chevron in paragraph 66. Please forward the fully executed copy to me on behalf of the Respondents. Pursuant to paragraph 37, the day I receive the Order will be its effective date.

I expect to forward the Statement of Qualifications from Morrison-Knudsen within the next day or two. We plan to use that firm to develop and implement the Work Plan.

With regard to site access, the enclosed Stipulation and Order will be filed within the next few days with the United States Bankruptcy Court in Delaware. We originally intended to have as a signatory Wilmington Trust Company, the only secured creditor of Metro Container and Metro Enterprises; but the bank wanted a release from further liability, which we are not prepared to agree to at this time. I shall notify you promptly if any snags arise.
